Presentation

The following information was presented by Dana Gierzak, and Jamie Bert, representing, The Nutrition Group:

- Dana Gierzak is the new Manager assigned to Hesperia Schools by Nutrition Group. She is excited to be part of the school. She presented her history in food service as well as her credentials.
- She discussed future events that Nutrition Group would be putting in place such as, testing groups to taste future menu items.
- She also gave a presentation on the update meal menus available on the district website.
- Rocky Thompson, Principal, asked if Nutrition group was able to check for student participation in the Hot Lunch program, specifically concerning students who were at risk for eating disorders. Dana said that yes, we have the capability to track whether a student received a lunch. However, it would be up to staff to follow up and make sure that meal was physically consumed.
- Burrell ask if the program allowed us to flag food allergies. Dana responded with a definite yes, and added that parents can also inform the school if they simply do not want a student consuming certain foods, and a flag can be added to the account so that the student is not able to receive those items through the hot lunch line.

Elementary Principal/Coordinator or Curriculum, Instruction & Assessment's Reports

Bryan Mey, Elementary Principal, presented the following information:

- Attended the Elementary Principal's conference, in Traverse City.
- Enjoyed the key note speaker, Jeff Sanflipo
- Focus on Social Media, School Pride
- Also, enjoyed speaker, Dr. Rice, who discussed changes that are coming to Michigan Districts soon.
- 2nd graders attended a Christmas ornament making event at the Career Tech Center.
- Elementary is making great strides with PBIS in the month of November 83 percent of students had zero visits to RTC. 91 percent had 1 or less.
- Many donations have come into the elementary in November; \$400 dollars in Halloween Costumes. \$700 dollars to aid 7 students in receiving Christmas gifts.

Raymond Thompson, Middle school and High school principal, presented the following information:

- Canned food drive was a huge success.
- Skype with a scientist, hosted in Jennifer Sherburn's classroom. The program was promoting an interest in science as well as focusing on a "strong women," initiative.
- PSAT scores were lower than anticipated, but working with Mr. Blue and staff to continue improving these scores. Including potentially having a 3rd party analyze our scores.
- High school is going to conduct a survey of last year's graduates to find out what their failures and successes were academically, and socially. Hoping to use this valuable information to improve our current curriculum.
- Band and Choir concerts went well.
- High school Band received \$6200.00 for their spring Toronto trip.
- Changing around the processes for Middle school lunch to allow for better supervision.
