Section 1.0. Collective Bargaining Unit. The Employer hereby agrees for the term of this Agreement to recognize the Association as the exclusive representative for the purposes of collective bargaining in respect to wages, hours of employment and other conditions of employment for all of the employees of the Employer included in the bargaining unit described below:

All full-time and regular part-time employees of Hesperia Community Schools while employed in the classification of secretary, aide, teaching assistant, maintenance, person, bus driver, and cook; but excluding all professional employees, teachers, supervisors (including supervisor of food service, supervisor of building and grounds maintenance, and supervisor of transportation and maintenance), bookkeeper, temporary employees, casual employees, confidential employees and all other employees.

In addition, the Employer agrees during the term of this Agreement not to negotiate with any other labor organization as the exclusive bargaining representative of the employees in this collective bargaining unit.

Section 1.1. Definitions and Employee Coverage. The provisions of this Section notwithstanding, in the event that any individual hired as a full-time or full-time school year employee prior to July 1, 1988, is working at least thirty (30) hours per week on a regular schedule, that employee shall continue to be considered as a full time or full time school year employee for employee benefit purposes. For purposes of the recognition granted the Association and for purposes of this Agreement, the following definitions shall be applicable:

Full-time employee: A full-time employee is an employee who is working at least thirty-five (35) hours per week on a regular schedule in a position classified as permanent, which position is normally scheduled to work twelve (12) months per year. In the event that any individual hired as a full-time or full-time school year employee prior to July 1, 1988, is working at least thirty (30) hours per week on a regular schedule, that employee shall continue to be considered as a full time or full time school year employee for employee benefit purposes.

Full-time school year employee: A full-time school year employee is an employee who is working at least thirty-five (35) hours per week on a regular schedule in a position classified as permanent, which position is normally scheduled to work the school year as set by the school calendar.

Regular part-time employee: A regular part-time employee is an employee who is working less than thirty-five (35) hours per week on a regular schedule in a position classified as permanent, which position is normally scheduled to work the school year as set by the school calendar.

Part-time year round employee: A part-time year round employee is an employee working less than thirty-five (35) hours per week on a regular schedule in a position classified as permanent, which position is normally scheduled to work twelve (12) months per year.

Irregular employee: An irregular employee is an individual not included within the above definitions of full-time, full-time school year, regular part-time, or part-time year round employee who is working on any other basis, including temporary, casual or seasonal.

The number of hours in a bus driver's regular schedule shall be determined by the number of runs that employee is regularly assigned to perform, with each run being timed at the start of each year. In the event that an employee's status is to be changed because of reduced or increased working hours, the Employer will advise the Association prior to the effective date of the change in status.

Section 1.2. Irregular - Employees. The Employer reserves the right to hire and utilize irregular employees and volunteers from time to time. These employees and volunteers are not within the recognition granted the Association and are not covered by the terms of this Agreement, but the performance of work for the Employer by such individuals shall be permitted and not constitute a violation of this Agreement even if they are performing work that is normally performed by members of this bargaining unit; provided, however, that such individuals shall not be hired or utilized so as to cause a full-time, full-time school year, regular' part-time, or part-time year round employee to be laid off or lose time from their regularly scheduled hours.

Before the district hires non-bargaining unit members ("irregular employees' and substitutes) all bargaining unit members who are regularly scheduled for less than eight hours / day and who notify their supervisor that they are interested in additional work time (sign the additional work rotation list) will be offered additional work time (irregular work and substitute work) up to eight hours of work per day. The district is not obligated to offer additional work hours that will require overtime pay. The additional work hours of this provision shall not singly entitle an employee to insurance benefits.

Provided the work can be scheduled among bargaining unit members without disrupting the employee's regular work schedule, the district will schedule additional work (irregular employee hours and substitute work) among the district's part-time bargaining unit members who have placed their name on the additional hours work list and agree to do the work before assigning the work to an irregular employee or substitute. The district's regular employees will have first option of working eight hours/day before the hours are assigned to an irregular employee or substitute. Employees who work as a substitute shall receive the base rate of pay for the position being filled.

Any employee who works less than full-time and wishes to be offered additional work assignments may contact his/her supervisor to place his/her name on the "additional hours work - employee rotation list." This list will be made each September and employees may add or delete their name at any time.

Employees will be contacted and offered additional work in the order of seniority (start with most senior) and the employee(s) who accept(s) the work will rotate to the bottom of the list. Work will first be offered to employees within the classification and if no classification employee is able to do the work, it will be offered to those interested bargaining unit members outside the classification. The rate of pay for employees who fill a substitute position per this section (1.2) shall be the regular base rate of pay for the position being filled (see Letter of Agreement attached). This work rotation shall not apply to irregular summer work assignments. The summer work shall be per the contract 4.6.

REPRESENTATION

Section 2.0. Collective Bargaining Committee. The Employer agrees to recognize a Collective Bargaining Committee selected or elected by the Association from employees covered by this Agreement who have seniority. Members of the Collective Bargaining Committee shall act on behalf of the employees covered by this Agreement for the purpose of collective bargaining

negotiations with the Employer. Non-employee representatives of the Association may also be present during collective bargaining negotiations.

Section 2.1. Grievance Committee. The Employer agrees to recognize a Grievance Committee selected or elected by the Association from employees covered by this Agreement who have seniority. It shall be the function of the Grievance Committee to act in a representative capacity for the purpose of processing grievances. When it is necessary for a member of the Grievance Committee to leave assigned duties to process a grievance, the member of the Grievance Committee shall request to be released from assigned duties. Upon such a request, the supervisor will release the member of the Grievance Committee from duties, provided that such a release will not interfere with the orderly and efficient operation of the Employer. The member of the Grievance Committee shall return to assigned duties as promptly as possible and shall advise the Grievance Committee member's supervisor of the return to duty.

Section 2.2. Alternate Grievance Committee and Collective Bargaining Committee Members. Alternate members of the Grievance Committee and of the Collective Bargaining Committee may be selected or elected by the Association from employees covered by this Agreement who have seniority. Alternate members of the Grievance Committee and of the Collective Bargaining Committee shall serve temporarily in the absence of the regular selected or elected members of the Grievance Committee and of the Collective Bargaining Committee, and such alternate members shall have the same rights, duties, limitations and obligations as the regular selected or elected members of the Grievance Committee and of the Collective Bargaining Committee during the period of replacement.

Section 2.3. Identification of Association Representatives. The Employer shall be informed in writing of the names of the Association's officers, members of the Grievance Committee and of the Collective Bargaining Committee, alternate members of the Grievance Committee and of the Collective Bargaining Committee, or non-employee representatives of the Association, and any changes therein, as soon as practicable upon their selection or election. The Employer will extend recognition to such individuals immediately upon receipt of this notice.

Section 2.4. Special Conferences. Special conferences for important matters of mutual concern may be arranged at the request of either party. Arrangements for such conferences shall be made in advance and shall normally be limited to the topics presented when such arrangements are made. The parties reserve the right to name their own representatives at such conferences. Arrangements for such conferences shall be made as far in advance as possible and such conferences shall be scheduled within ten (10) days following the request for a conference.

Section 2.5. Bargaining and Special Conference Time. Employee participation as Bargaining Committee members or in Special Conferences is a voluntary activity engaged in on behalf of the Association and the employees which it represents. Employees shall not normally be paid for time spent in these activities, but the Employer reserves the right to pay employees at their regular straight time rate of pay for all time lost from their regular scheduled hours if it requests to schedule these activities during working hours. Employees may, upon request, be released from work to engage in collective bargaining negotiations and special conferences, provided such release will not interfere with the orderly and efficient operation of the Employer.

Section 2.6. Association Access. Authorized representatives of the Association may visit school property at reasonable times for the purposes of administration of this Agreement. In the event that the Association representatives deem it necessary to visit school property during working hours, the Association agrees that its representatives shall advise the building administration's office of their need to be on school property upon their arrival and that such visits shall not interfere with the operations of the Employer and the work being performed by the employees.

Section 2.7. Use of Employer Facilities and Equipment. The Association shall have the right to use Employer premises for meetings in accordance with the Employer's normal scheduling practices. The Association shall also have the right to use Employer duplicating equipment at reasonable times when the equipment is not otherwise in use. The Association shall pay for any extra maintenance or custodial cost incurred in the use of the Employer's premises for meetings and the reasonable cost of all materials and supplies incidental to equipment use. Photo copies may be charged at \$.10 per page.

Section 2.8. Association Information Requests. Upon reasonable request, the Employer shall make available to the Association information necessary to assist it in the processing of grievances, administration of the Agreement and the negotiation of successors to this Agreement.

Section 2.9 Payroll Deductions. The Employer agrees to allow the use of the payroll deduction process for such other payments as it may approve.

MANAGEMENT RIGHTS

Section 4.0. Management's Rights. It is understood and agreed that the Employer retains and shall have the sole and exclusive right to manage and operate the Hesperia Community Schools in all its operations and activities and to establish and administer, without limitation, implied or otherwise, all matters not expressly limited by this Agreement. Among the retained rights of management included only by way of illustration and not by way of limitation are as follows: to determine all matters pertaining to management policy; to adopt, modify, change or alter its budget; to determine the services to be furnished, and the methods, procedures, means, equipment and machines required to provide such services; to determine the nature and number of school buildings, operations and departments to be operated and their locations; to eliminate, combine, or establish departments; to determine the number of personnel required; to establish and change employee work schedules; to eliminate, establish or combine classifications; to determine the number of supervisors; to hire personnel; to direct and control operations; to discontinue, combine, or reorganize any part or all of its operations; to maintain safety, order, and efficiency; to study and use different methods, processes or machines; to use outside assistance or engage independent contractors either inside or outside of the Employer's facilities; to establish job descriptions; to make judgments as to the skill and ability of employees; to promote, demote, discipline, discharge, layoff or recall personnel; to establish and revise work rules and safety rules from time to time; and in all respects to carry out the ordinary and customary functions of management. All such retained rights may be exercised by the Employer without prior bargaining or notice to the Association; provided, however, these rights shall not be exercised in violation of any specific provision of this Agreement.

Section 4.1. Rules and Regulations. The Employer has the right to establish rules and regulations not inconsistent with the provisions of this Agreement. The Employer shall, notify the Association of

the existence of all new or revised rules and regulations and copies shall be made available to the Association for inspection and review if such rules and regulations concern working conditions. If the Association believes that any rule or regulation that concerns working conditions is inconsistent with the terms of this Agreement, a grievance may be filed.

Section 4.2. Discipline. The Employer agrees that discipline shall be for just cause. For purposes of this Agreement, discipline shall include all actions of the Employer that can adversely affect an employee's future employment, such as reprimands, suspension with or without pay, or discharge. Discipline shall not normally be administered for off-duty actions unless the action relates to or affects the performance by the employee of his/her assigned duties.

Section 4.3. Discipline Procedures. The Employer agrees to notify an employee of the specific reasons for any discipline. In instances where the Employer desires to conduct an investigatory interview with an employee, the employee shall be entitled upon request to have an Association representative present at the interview. The Employer shall allow an Association representative to be present during the administration of discipline upon request of an employee, but shall not be required to withhold the administration of the discipline more than twenty-four (24) hours in instances where an Association representative is not readily available; provided, however, that the Employer shall not be prevented from administering immediate suspension or discharge by the unavailability of an Association representative in appropriate circumstances.

Section 4.4. Subcontracting. The parties recognize that the Public Employment Relations Act controls the duty to bargain over subcontracting of work performed by bargaining unit employees, and agree that this collective bargaining agreement contains no provisions authorizing the Employer to subcontract work performed by bargaining unit employees nor does it contain any provision prohibiting the subcontracting of such work. In addition, the parties agree that this collective bargaining agreement does not constitute a waiver by the Association of any of its rights to bargain over subcontracting decisions.

Section 4.5. Snowplowing Assignment. Bus driver employees may volunteer to perform snowplowing work. Snow plow work will be posted as a position in the fall each year. Any interested bus driver employees who signs up for the work will be considered and the Employee's name will be added to the snowplowing list for snowplowing assignments. Employees will be selected to work based upon their seniority. Maintenance classification called before bus drivers. The senior bus driver employee will be called first for both weekday and weekend assignments.

The supervisor in charge will call bargaining unit members on the list when it is determined there is a need to plow.

Employees who refuse snowplowing work when called may be removed from snowplowing work at the discretion of the Employer.

Maintenance personnel will have priority on snowplowing assignments over other bargaining unit members.

Bargaining unit members on the volunteer list will be offered the snowplow work before any non-bargaining unit employee does any plowing. Supervisors may assist in snow plowing provided that before a supervisor begins plowing, the bargaining unit members on the volunteer list have been called to come in and plow.

When a bargaining unit member is called to plow, the supervisor is to indicate the start time.

In no event is the bargaining unit member to be scheduled for less than four hours of snow plow work when a supervisor begins plowing before the bargaining unit member's plowing time begins. If no member accepts the snow plowing assignment, the district shall not be limited by this language for the current assignment.

In the event that a bargaining unit member begins plowing before a supervisor begins plowing, a supervisor may assist in the snow plowing when it is clear that the work will not be able to be finished by the bargaining unit member(s) in time for the start of the school day.

If no member accepts the snowplowing assignment, the district shall not be limited by this language for that current assignment.

Section 4.6. Summer Work - Irregular Employees. Bargaining unit members may volunteer to perform summer work only if they are not scheduled to work during the summer break period as a part of their regular school year work schedule. Employees wishing to volunteer may place their names on a summer work list each year in order to become eligible for this assignment. If the district does call upon employees to work, volunteers will be selected based on their seniority, the senior employee being first called.

Regularly employed bargaining unit members may volunteer to perform summer work if they are not regularly scheduled to work during the hours the summer work is scheduled or needed. This summer work shall be considered in addition to the Employee's regular work and shall not be considered regular assigned work for the purpose of calculating benefits and vacation. The parties agree that the Employee assigned summer work shall not have a claim to insurance benefits or vacation accrual based on the additional hours of work assigned as summer work under Section 4.6. The Employee shall be paid his/her regular rate of pay and all applicable overtime for the summer work that is in addition to his/her regular year round work assignment.

WORK STOPPAGES AND ILLEGAL ACTIVITY

Section 5.0. Continued Work Pledge. During the term of this Agreement, employees covered by this Agreement will not engage in any strike, walk-out, sit-in, or any other activities that result in the curtailment of work or the restriction or interference with the Employer's operation.

GRIEVANCE AND ARBITRATION PROCEDURE

Section 6.0. Definition of Grievance. For purposes of this Agreement, a grievance shall be defined as a complaint arising during the term of this Agreement filed by an employee covered by this Agreement or by the Association concerning the application and interpretation of a provision or provisions of this Agreement.

Section 6.1. Grievance Procedure. All grievances shall be handled in the following manner:

Step 1. Oral Procedure. An employee with a complaint shall discuss the matter with their immediate supervisor, or designated representative, within ten (10) working days from the time of the occurrence of the events giving rise to the complaint or within ten (10) working days from the time the employee involved first knew or could have known of the facts giving rise to the complaint. A member of the Association's G r i e v a n c e

Committee may be present at this meeting, if requested by the employee. A request for a member of the Grievance Committee to participate in the discussion of a grievance shall be made by the employee to the immediate supervisor or designated representative, who shall make proper arrangements as soon as convenient. The immediate supervisor or designated representative will endeavor to give an oral answer to the complaint within five (5) working days of the discussion with the employee concerned. Every effort shall be made to settle the complaint in this manner.

Step 2. Written Procedure. If the complaint is not satisfactorily settled in the Step 1 Oral Procedure, the complaint shall be reduced to a written grievance within ten (10) working days from the time of the giving of the supervisor's oral answer in Step 1. The grievance shall be signed by the employee or a member of the Grievance Committee and shall indicate the section or sections of this Agreement in dispute and shall set forth the facts giving rise to the complaint. The preparation of a written grievance shall not occur during working time. The grievance shall be submitted to the employee's immediate supervisor or designated representative. The immediate supervisor or designated representative, the employee involved, and a member of the Association's Grievance Committee if requested by the employee, may discuss the grievance. The immediate supervisor or designated representative shall place a written disposition upon the grievance within five (5) working days following the date the grievance was submitted at this step and return it to the employee. A copy of the written disposition shall also be provided to the Association.

Step 3. Written Procedure - Superintendent. If a grievance is not resolved in the Step 2 Written Procedure, the grievance may be submitted to the Superintendent within five (5) working days after receipt of the immediate supervisor's written disposition in Step 2. The Superintendent, the employee involved, and the Chairperson of the Association's Grievance Committee shall meet to discuss the grievance. The Superintendent shall place a written disposition on the grievance within ten (10) working days following the date the grievance was submitted at this step and return it to the employee. A copy of the written disposition shall be provided to the Association.

Step 4. Written Procedure. If a grievance is not resolved in the Step 3 Written Procedure, the Association may submit the grievance to the Board of Education by delivering to the Employer through the Superintendent's office a written request to the Board of Education to review the grievance within ten (10) working days following receipt of the Superintendent's written disposition of the grievance. The Board or designated representative, the employee involved, and a member or members of the Grievance Committee may meet to discuss the grievance. The Board or designated representative shall place a written disposition on the grievance within twenty (20) working days following the date of this meeting and return it to the Association.

Section 6.2. Union Representatives.

- a.) With the exception of Step 1, either party may have non-employee representatives present at any step in the grievance procedure.
- b.) **Union Representation** - in the event that a bargaining unit member (MEA member or non-member) should initiate a grievance on his/her own behalf, without union representation, the union shall be notified immediately of any such filing and a union

representative shall be invited to be present at all meetings between the bargaining unit member and administration or representative of such addressing the grievance or complaint. As the documents are shared or provided the union will be apprised of and provided copies of all documents regarding this grievance that the district shares or provides the member including any written grievance form(s) and any subsequent settlement(s) between the parties.

Section 6.3. Arbitration. The Association may request arbitration of any unresolved grievance which is arbitrable by filing the Arbitration Request Form with the Federal Mediation and Conciliation Service and delivering a copy of this Form to the Employer through the Superintendent's office within thirty (30) working days following the receipt of the Board's written disposition in Step 4 of the grievance procedure. If the Board fails to answer a grievance within the time limits set forth in Step 4 of the grievance procedure, the Association may request arbitration by filing the Arbitration Request Form with the Federal Mediation and Conciliation Service and delivering a copy of this Form to the Employer through the Superintendent's office not later than thirty (30) working days following the date the Board's written Step 4 disposition was due. The grievance may thereafter be submitted to arbitration. If the Association does not request arbitration in the manner or within the time limits established herein, the grievance shall be considered settled on the basis of the Employer's last disposition.

Section 6.4. Selection of Arbitrator. If a grievance is to be submitted to arbitration, the arbitrator shall be selected from a panel of seven (7) arbitrators submitted by the Federal Mediation and Conciliation Service by each party alternately striking the name of an arbitrator from the panel. The Association shall strike the first name from the list of arbitrators. After six arbitrators have been struck, the remaining individual shall serve as the arbitrator. Should the parties mutually determine that any panel of arbitrators is unsatisfactory, the panel may be rejected and another panel requested. The fees and expenses of the arbitrator and all hearing location costs shall be shared equally by the Association and the Employer, Each party shall pay the fees, expenses, wages, and any other compensation of its own representatives and legal counsel.

Section 6.5. Arbitrator's Powers and Jurisdiction. The arbitrator's powers shall be limited to the application and interpretation of this Agreement as written. The arbitrator shall at all times be governed wholly by the terms of this Agreement and shall have no power or authority to amend, alter or modify this Agreement either directly or indirectly; to rule on the discipline, layoff, recall or termination of any probationary employee; or to rule upon a specific grievance considered settled. If the issue of arbitrability is raised, the arbitrator shall not determine the merits of any grievance unless arbitrability has been affirmatively decided, and the Employer may request a bifurcated hearing in any proceeding in which the arbitrability of the grievance is at issue. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment compensation or compensation for personal services from substitute employment that the employee may have received from any source during the period in question.

Section 6.6. Arbitrator's Decision. The arbitrator's decision shall be final and binding upon the Association, the Employer and employees in the bargaining unit; provided, however, that each party may have its legal remedies if the arbitrator exceeds the jurisdiction provided in this Agreement.

Section 6.7. Grievance Form. The grievance form shall be prepared by the Association in a form which coincides with the Grievance Procedure established in this Agreement.

Section 6.8. Time Limits. The time limits established in the grievance procedure shall be followed by the parties hereto. If the time procedure is not followed by the Association or the employees represented by the Association, the grievance shall be considered settled on the basis of the Employer's last disposition. Grievances which are considered settled shall not be arbitrable and no arbitrator shall have the power to issue any award or fashion any remedy concerning such grievances. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, excluding arbitration. The time limits established in the grievance procedure may only be extended by mutual written agreement and the period of extension must be specified in the agreement.

Section 6.9. Time Computation. A working day under the time procedures established in the grievance procedure shall mean calendar days excluding Saturdays, Sundays and other days that school is not in session; provided, however, that weekdays during scheduled summer vacation periods shall be considered to be working days.

Section 6.10. Pay for Processing Grievances. Members of the Grievance Committee and employees necessary for the resolution of grievances shall be paid at their regular straight time rate of pay for all reasonable time lost from their regularly scheduled hours required to process grievances or participate in grievance meetings or arbitrations. It is understood that this provision should not be subject to abuse by the employee.

Section 6.11. Discharge or Suspension of Grievances. All grievances concerning discharge or suspension shall be initiated at Step 3 of the grievance procedure. A written grievance signed by the discharged or suspended employee shall be filed within three (3) working days of the employee's discharge or suspension in order to invoke the grievance procedure in such situations.

Section 6.12. General Application Grievances. All grievances of a general nature that affect more than one employee shall be initiated by filing a written grievance within ten (10) working days from the time of the occurrence of the events giving rise to the complaint or within ten (10) working days from the time the Association first knew or could have known of the facts giving rise to the complaint. The grievance shall be signed by a member of the Grievance Committee and shall indicate the section or sections of this Agreement in dispute and shall set forth the facts giving rise to the complaint.

Section 6.13. Arbitration After Termination of Agreement. Notwithstanding any other provision of this Agreement, the Employer shall have no obligation to arbitrate any grievance after the expiration of this Agreement; provided, however, that the Employer shall continue to be obligated to arbitrate grievances arising during the term of this Agreement which were timely filed prior to the expiration of this Agreement.

SENIORITY

Section 7.0. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the Employer as a member of the bargaining unit since the employee's last date of hire. An employee's "last date of hire" shall be the date upon which the employee commenced work with the Employer or the date of Board action, whichever comes first. Seniority shall commence only after the employee completes the probationary period

hereinafter provided and shall be retroactive to the last date of hire. Employees who commence work on the same date shall be placed on the seniority list in order of preference determined by drawing of lots. This drawing of lots shall be conducted by the Superintendent, in the presence of the Association and the individuals concerned.

NOTE: Special Education (ISO) aides transferred to Hesperia Schools via the 1993 Transition Letter shall be credited with all ISO seniority per the terms of the letter (attached).

Section 7.1. Probationary Period. All new employees shall be considered to be on probation and shall have no seniority for the first ninety (90) days of actual work following their first day of work for the Employer, after which time the employee's seniority shall be retroactive to his/her last date of hire. If the Employer wishes to extend the probationary period in the case of any employee whose performance has not been entirely satisfactory to the Employer, the Employer may extend the probationary period for a period not to exceed an additional thirty (30) days of actual work with the prior written approval of the Association. Employees who have not completed their probationary period may be disciplined, laid off, recalled, terminated or discharged at the Employer's discretion without regard to the provisions of this Agreement and without recourse to the Grievance Procedure. The Association shall report probationary employees for the purposes of collective bargaining as to all other conditions of employment set forth in this Agreement. There shall be no seniority among probationary employees.

Section 7.2. Seniority List. The Employer shall keep a current seniority list showing each employee's seniority date, current classification, and previous classifications in which the employee holds seniority. A copy of the seniority list shall be provided to the Association upon execution of this Agreement and at such times as changes to the seniority list are made. In the event that the Association disagrees with a change to the seniority list, the dispute over the change shall be resolved in accordance with the grievance procedure.

Section 7.3. Loss of Seniority. An employee's seniority and the employment relationship with the Employer shall terminate for any of the following reasons:

- (a) If the employee quits or retires.
- (b) If the employee is terminated or discharged and the termination or discharge is not reversed.
- (c) If the employee is absent from work for three (3) consecutive working days without notifying the Employer, unless the employee's failure to notify the Employer is for a satisfactory reason.
- (d) If the employee is absent from work for three (3) consecutive working days, unless the employee's absence is for a satisfactory reason.
- (e) If the employee fails to return to work on the required date following recall to work from layoff in accordance with the procedures established in this Agreement, unless the employee's failure to return to work is for a satisfactory reason.
- (f) If the employee is convicted of a felony.

Section 7.4. Seniority While on Leave of Absence. Leaves of absence pursuant to this Agreement shall not constitute an interruption in continuous service.'

Section 7.5. Transfer to Non-bargaining Unit Position. An employee who is transferred to a position within the Employer not covered by this Agreement shall retain all accumulated

seniority, but shall not accrue further seniority during the period in which they hold the non-bargaining unit position. The Employer has the sole discretion to determine if any employee transferred to a non-bargaining unit position is to be returned to the bargaining unit. An employee who is returned to the bargaining unit by the Employer after having been transferred to a non-bargaining unit position may be placed in any job classification with a current vacancy.

HOURS OF WORK

Section 8.0. Workweek. The workweek for FLSA purposes for all employees shall begin at 12:00 a.m. on Sunday and end at 11:59 p.m. the following Saturday. The Employer reserves the right to change the workweek whenever it determines that operating changes warrant such a change. At least thirty (30) calendar days' notice will be given for any workweek change.

Section 8.1. Hours of Work. The work hours for all employees shall be determined by the Employer. The normal workday for full-time and full-time school year employees shall be as follows:

- A. Secretaries - eight (8) hours.
- B. Teacher Assistants / Office Clerks at least seven (7) hours.*
- C. Aides / Cooks - at least seven (7) hours.

*Employees who work crossing guard duty will be paid for an additional twenty (20) minutes for crossing guard duty. A.M. crossing guards shall work their twenty (20) minute crossing guard duty in their regular seven (7) hour day; the P.M. crossing guards will work their twenty (20) minute crossing duty in addition to their regular hours. Employees who work crossing guard duty will have twenty (20) minutes additional pay added to their regular daily rate of pay when computing holidays, sick days, and all other paid leave days, including snow days.

The normal workweek for full-time employees is five (5) days, Monday through Friday each month of the year exclusive of holidays.

The normal workweek for full-time school year employees is five (5) days, Monday through Friday during days that students are in attendance at school. Full-time school year employees are not normally scheduled to work on holidays and during vacation recesses as determined by the school's calendar, but may be scheduled for additional weeks of work prior to the opening of school and/or after the closing of school.

The Employer may exercise the right to change the work schedule below the normal workday or workweek whenever it determines that conditions warrant such changes. The Employer will endeavor to implement any reduction in the hours to be worked by a particular classification through the layoff of employees, but reserves the right to implement the reduction in hours by a reduction in the normal workday or workweek. In the event that a reduced workday or workweek is to be implemented, the reduction shall be applied first to the least senior employee in the particular classification affected and thereafter to additional employees by inverse order of seniority. The Association will be provided with at least fourteen (14) days written notice of the Employer's determination to reduce the normal workday or workweek and a special conference will be held between the Association and the Employer to discuss the necessity for the reduction.

In the event that the Employer decides to change the work hours of a work assignment on more than a temporary or seasonal basis, i.e., a regular change that will last for more than six weeks, and increases a regular work assignment by more than 15 minutes a day (averaged over the work week) the position will be posted as a vacancy and filled as provided in section 10 of this agreement.

Late start and early release days shall be considered regular work days and bargaining unit members shall report at the employee's regular start time and work until the employee's normal release time unless notified at least three workdays prior to the day that the work hours are to be extended. In the event of extended work hours the employee will be expected to work the extended hours except in the case of an emergency or prior release from the employee's supervisor.

Section 8.2. Overtime. Employees wishing overtime work shall indicate their interest to the Employer by annually signing an overtime request form. Employees indicating an interest in overtime will be placed on a list in order of seniority, starting with the most senior employee. Whenever the employer determines a need for overtime work, it will be offered to the employee at the top of the list. The employee offered the overtime will then be moved to the bottom of the list, regardless of whether the overtime was accepted or refused. If an employee refuses overtime work four (4) times within a school year (September 1 – August 30) he/she will be removed from the overtime rotation list for the remainder of that school year. The Employer reserves the right to assign necessary overtime work to the least senior employee who has the necessary skills to perform the required work if everyone ahead of him/her on the list refuses the work.

Section 8.3. Meal Periods. All full-time and full-time school year employees, will be allowed a one-half (1/2) hour meal period with pay. This meal period shall be scheduled by the Employer at or near the mid-point of the scheduled day. Regular part-time employees (employees working less than (35) hours per week) will receive a non-paid meal period if they are scheduled to work six (6) or more continuous hours on a particular day. Secretaries may elect to take a one (1) hour paid break by forfeiting the two (2) fifteen minute break periods. Employees shall schedule the meal period for the last one-half hour (1/2) at the end of their shift if they were unable to schedule it during the shift. If the employee's meal period is during the last one-half hour of the shift, the employee does not have to report back to the site to punch out but must indicate on the employee's time card that this early punch-out was a meal break.

Section 8.4. Break Periods.

The Employer will provide full-time and full-time school year employees a fifteen (15) minute break period during the first half of their workday and a fifteen (15) minute break period during the second half of their workday. Regular part-time employees and part-time year round employees will receive the same break periods if they are scheduled to work six (6) or more continuous hours on a particular day. Regular part-time employees and part-time year round employees who are scheduled to work at least four hours fifteen (4:15) minutes up to six (6) hours will receive one 15 minute break per shift. (Regular part-time employees and part-time year round employees who are scheduled to work more than six hours per shift will receive breaks per shift as listed above.) All break periods will be scheduled by the Employer so as not to interfere with the Employer's operations.

Section 8.5. School Closure. Each employee will have six (6) paid snow days, including the use of other leave days if more than six (6) school closure days occur. (If additional days beyond the 6 are granted by the State, no loss of compensation will occur for the bargaining unit member for those additional granted days as it affects the district).

In the event that the Employer determines to cancel school due to inclement weather or other circumstances, the following payment and reporting provisions shall apply:

- (a) School canceled prior to 7:00 a.m. or the normal reporting time. Employees are not to report to work, but the Employer reserves the right to require classification groups of employees to report to work to perform necessary functions or normally assigned regular work. Secretaries shall have the option of reporting to work on school closure days and will be paid the employee's regular rate of pay for that day regardless of time worked. Employees who are not required to report for work will be paid for their regularly scheduled hours on that day. Employees shall have the option of electing to use any of the employee's accumulated paid leave time (sick or personal leave) for any unpaid school closure day. Upon notice to his/her supervisor an employee will be granted up to one hour of excused time for late arrival if the employee is delayed due to school closing related road conditions. Employees will be paid the employee's regular rate of pay for all hours that are worked on school closure days.

To be paid for paid school closure days the employee must be available to report to work and not on vacation and/or approved leave. There will be no refunding of any prior approved leave if there is a school closure day. An employee on approved deduct time will not be eligible for paid school closure days while on unpaid leave.

- (b) Maintenance is required to report for work for their regular work shift and will work their regularly scheduled hours for the day unless the Employee chooses to work another shift with the Employee's supervisor's approval.

After the first canceled school day, the Employer shall have the option of assigning maintenance crew personnel either to work relating to the reason for school closure or to specific maintenance tasks. Report time shall be adjusted to accommodate the driving conditions. Employees who are called to report and assigned to duties other than snow/ice removal shall be notified of the scheduled task(s) prior to 9:00 a.m., or at least one hour before the employee's shift begins.

- (c) School dismissal after 7:00 a.m. or after the employee's regular reporting time but prior to normal end of school. Employees will be released to go home fifteen (15) minutes after the students are dismissed, but the Employer reserves the right to require individuals to work later to perform necessary functions. Employees will be paid for all hours actually worked or 100% of their regularly scheduled hours for that day, whichever is greater.

Section 8.6. Community Service Work. Employees who serve in a community volunteer capacity such as emergency service vehicle personnel, firefighter or disaster worker will be released from duty to respond to emergency calls. Employees released from duty to respond to emergency calls shall be paid at their regular straight time rate of pay for all time lost from their regularly scheduled hours. It is understood that such release time shall be for emergencies only and shall not be utilized as a matter of routine scheduling. Employees must advise their supervisor of the need to respond for such calls and return to work promptly upon their completion.

Section 8.7. Extra Dinner Assignments. Cooks shall be assigned extra dinner cooking positions based on a rotation system that allows current cooks who voluntarily sign up to work extra dinners. If an employee chooses not to work when called, the employee will be considered to have been asked and the rotation will move on to the next employee on the volunteer list. Cooks who work extra dinners shall be paid for all hours worked but no less than three (3) hours at the cook's regular rate of pay plus overtime if appropriate.

Section 8.8. Call-in Time. Anytime that a bargaining unit, member is called in to work and the minimum number of hours is not addressed in this contract, the employee shall be paid for a minimum of two (2) hours of work time at the employee's regular rate of pay with adjustment for overtime and/or holiday or weekend pay per the contract.

LAYOFF AND RECALL

Section 9.0. Layoff. A layoff shall be a reduction in the work force or a reduction in hours. When it is determined by the Employer that the work force is to be reduced or there is to be a reduction in hours, the Employer shall lay off employees in the following order:

- (a) The first employee or employees to be laid off shall be volunteers (if any) in the particular job classifications affected by the layoff.
- (b) The next employee or employees to be laid off shall be probationary employees (if any) in the particular job classification affected by the layoff.
- (c) The next employee or employees to be laid off shall be regular part-time and part-time year round employees (if any) in the particular job classification affected by the layoff in reverse order of seniority.
- (d) Further layoffs from the affected classification shall be accomplished by inverse order of seniority.

If the Employer finds it necessary to reduce the work hours of an employee, the Board will consult with the Association to explore alternative courses and/or explain to the Association why a reduction is necessary. If the Board reduces a position, the employee holding that position has the right to displace the least senior employee with the same number or greatest number of hours in order to maintain his/her original hours, or the greatest portion therefore, within the classification of the position affected.

In the event no position exists (cited in Recognition) whereby the employee can maintain his/her work hours, the employee may either accept the reduced hours or take a voluntary layoff.

Notwithstanding any provision of this Section, a junior employee may be retained if a more senior employee does not have the necessary qualifications, skill and ability to perform the available work.

Section 9.1. Displacement Rights After Layoff. Employees with seniority who are laid off shall be entitled to displace an employee in another job classification to which the employee had been previously assigned to on other than a temporary basis or a probationary employee in another job classification under the following conditions:

- (a) The laid off employee has greater seniority than the employee to be displaced.
- (b) The laid off employee presently has the necessary qualifications, skill, and ability to perform the work in the other job classification.
- (c) The laid off employee elects to exercise their displacement rights within five (5) working days of notification of their layoff.

An employee displaced under this Section shall be laid off unless that employee is also entitled to exercise displacement rights under this Section. An employee exercising displacement rights under this Section retains the right of recall to their former classification.

Section 9.2. Recall. Employees will be eligible for recall for up to two (2) years of layoff following their last day of work. When it is determined by the Employer to increase the work force after a layoff or to fill a vacancy, employees with seniority previously laid off from that classification will be recalled in order of seniority, provided that the recalled employee presently has the necessary qualifications, skill and ability to perform the required work. In the event that there are no employees with seniority previously laid off from the classification who presently have the necessary qualifications, skill and ability to perform the required work, employees with seniority laid off from other classifications will be recalled in inverse order of layoff, provided that they presently have the necessary qualifications, skill and ability to perform the required work.

The recall procedure shall be utilized prior to posting a vacancy for bid by individuals working in other classifications. The Employer may fill the position on a temporary basis without regard to seniority pending completion of the recall procedure set forth in Section 9.3. An employee shall not be required to accept recall to a position that is not equivalent in hours to the position previously held.

Laid off employees who are laid off at the conclusion of the school year and draw unemployment benefits during the summer months prior to the start of the next school year will be required to reimburse the employer for any unemployment monies received during that time if the employee

is recalled back to work prior to the start of the next school year without any loss of pay. Any monies to be reimbursed will at the employee's option be payroll deducted and spread equally over the pays of that school year.

Section 9.3. Substitute Work. Laid off employees who wish to substitute may submit an application to the central office and will be offered substitute work by the Board as it becomes available provided there is sufficient time to contact the employee. (It is understood that in order to fill short time-line emergencies when it is not practical to call the substitute list employees, the district is not obligated to do so.) This work shall be offered to qualified unit members in order of seniority, with the most senior qualified member being offered the work first. A bargaining unit member may remove his/her name from the substitute call list without any jeopardy to the employee's lay-off and recall status. An employee who is called and is unavailable for substitute work more than three consecutive times shall be moved to the bottom of the substitute list regardless of seniority. Employees who accept substitute work shall be paid the employee's regular rate of pay prior to lay-off for all hours worked. One hundred twenty days of substitute work shall be counted as one year of experience for the purpose of seniority and wage schedule advancement. Any laid-off employee who wishes to be on the substitute list must keep the board informed of his/her availability annually (i.e., at the beginning of each school year).

Section 9.4. Recall Procedure. When employees are to be recalled from layoff, the following procedures shall be followed:

- (a) The Employer shall give the employee notification of recall together with the required return to work date by certified mail (addressee only), sent to the employee's last known address.
- (b) Employees have the obligation to advise the Employer of their intent to accept or decline the recall to work within ten (10) working days after delivery of notice of recall by certified mail. Employees who decline recall shall be considered to have voluntarily quit. Employees who fail to respond within the ten (10) working days period shall be considered to have voluntarily quit, unless the employee's failure to respond by the required date is for emergency reasons.
- (c) Recalled employees are required to report for work on the required return to work date or within ten (10) workdays following delivery or attempted delivery of notice of recall by certified mail, whichever is later. Employees who fail to report for work by the required date shall be considered to have voluntarily quit, unless the employee's failure to report on the required date is for a reason satisfactory to the Employer.

JOB TRANSFERS

Section 10.0. Permanent Vacancies. When a permanent job or vacancy occurs in a position previously held by a bargaining unit member, or a newly created position within the bargaining unit, notice of the job or vacancy shall be posted on the bulletin board in each building in which bargaining unit personnel work for ten (10) working days. A copy of the vacancy notice shall also be sent to each bargaining unit member who is laid off and to the Association. A permanent job or vacancy does not include vacancies caused by leaves of absence of less than

one (1) year or less or positions which the Employer intends to fill for less than forty-five (45) workdays. Such vacancies shall be considered temporary vacancies and they may be filled by the Employer from any source without regard to the procedure set forth in this Section. The Employer, in its sole discretion, shall determine if a vacancy exists which is to be filled under this Section. Employees interested in the job posting may file a written application with the Employer by the deadline established in the posting.

The Employer shall review the qualifications of all applicants for the permanent vacancy to determine if the applicant presently has the skills and ability to perform the work in the job classification. The best qualified applicant shall be awarded the permanent vacancy; provided, however, that if two or more applicants are equally qualified for the job or vacancy, the applicant with the greatest seniority shall be awarded the position. The Employer reserves the right to determine that none of the applicants are qualified and leave the position open or to see further applicants.

The employer will only consider applicants outside the bargaining unit if it is determined through the interview process that the internal applicants do not meet the job qualifications set forth in the posting of the position.

Bargaining unit members who do not meet the qualifications for the position will have the opportunity to request a written statement from the superintendent, or his agent, as to the reasons why the qualifications were not met.

Section 10.1. New Job Probationary Period. Employees who receive an award of a job under the permanent job transfer provisions of this Agreement shall be required to serve a new job probationary period of sixty (60) working days in the new position to prove that they have the skill and ability to perform all the requirements of the position. No regular employee shall have a reduction in compensation or hours during the probationary period of a newly acquired position. However, if the new position has fewer hours than the current position, the district will assign the employee additional work to accommodate for the difference in hours.

If the employee fails to meet all the requirements of the position to the satisfaction of the Employer, the employee will be transferred back to the employee's prior classification; provided, however, that the Employer reserves the right to disqualify an employee and return the employee to the employee's prior classification at any time during the new job probationary period. An employee will also be returned to their former classification during this period upon the employee's request. Upon completion of the new job probationary period the employee shall be placed on the salary step he/she held in his/her previous classification.

Section 10.2. Temporary Transfers. The Employer reserves the right to temporarily transfer employees in order to meet its operational needs, but shall endeavor to keep transfers to a minimum and for a minimum period of time. In the event that there are no volunteers, the Employer shall assign the least senior employee who is qualified for the temporary transfer, but reserves right to temporarily assign a more senior employee in instances where it is necessary for the least senior employee to remain at their assigned work. An employee temporarily transferred for a period of more than one (1) day shall receive the minimum rate of pay for the classification to which they are transferred or the rate of pay for the classification to which they are regularly assigned, whichever is higher.

Section 10.3.1. Bus Run Assignment. Bus drivers shall carry forward their driving assignments from year to year. New runs and runs newly available shall be posted for bid in accordance with Section 10.0, Permanent Vacancies, above.

Section 10.3.2. Third runs such as Pre-school, AM and PM VOC will be posted and any regular driver may sign. Regular drivers are entitled to only one additional (third) run.

Section 10.3.3. Extra trips shall be assigned on the basis of seniority on a rotation basis beginning with the most senior driver and proceeding through the seniority list. With notification to their supervisor, an employee with an assigned extra trip may trade that trip with another employee who has an assigned extra trip. Extra trips may not conflict with existing routes/assignments. P.M. sports runs/trips are exempt.

Section 10.3.3.A. Extra trips will be posted as soon as the trip slips are received by the transportation department.

All trip slips that are received more than ten (10) driver workdays in advance shall be posted for at least five (5) driver workdays and then assigned. In no event shall this assignment be made more than fifteen (15) workdays after the trip was posted.

Notices received less than ten (10) workdays prior to the extra trip run shall be posted as soon as received for at least three (3) workdays if possible and assigned no less than three (3) workdays before the event if possible.

Section 10.3.3B. If a driver is unable to drive a trip, the driver must take his/her name off the trip as soon as possible and immediately notify the administrator. If a driver must take his/her name off the trip, it will be offered to the next driver(s) on the rotation who signed for the trip. The driver who forfeits a trip shall remain in his/her regular rotation as if he/she drove the extra trip.

Section 10.3.3C. When the assigned extra trip is cancelled, the affected driver will have the right to select as a replacement the next available trip that has been posted but not assigned, provided that the driver has signed that trip and notifies his/her supervisor that they wish to have the next posted available trip. The cancelled trip will remain on the board, keeping original rotation. The trip the driver receives to replace the original cancelled trip will not be assigned on the board, so that original rotation is not affected by the change. If a drivers extra trip is scheduled to leave before their regular PM run return time their regular route will be covered by a sub driver. In some instances the Supervisor may be able to adjust extra trip leave times so a driver could complete their PM run and drive the extra trip. Adjustments will not be in excess of 15 minutes and cannot delay the group or athletic event start time.

Section 10.3.3.D. Trading trips is allowed if on the same day. All drivers must agree on trades. This trading does not affect the rotation of assignments.

Section 10.3.3.E. Short notice trips are to be given to the driver next in seniority if signing is not possible without losing position in rotation. If no one signs a trip, the driver who drives it maintains trip rotation as if no trip was driven.

Section 10.3.3.F. The transportation supervisor has the right to assign trips which are not bid on by regular drivers to non-union sub drivers.

Section 10.3.3.G. Drivers will be paid 15 minutes at the extra trip rate for pre-trip inspection of their bus and 15 minutes for post-trip inspections. This includes mandated bus inspections, fueling, and cleaning of bus. Drivers will report 15 minutes prior to their schedule leave time and be dismissed 15 minutes after their return.

Section 10.3.3H. Drivers are reimbursed reasonable costs for extra trip meal expenses upon submission of detailed receipts listing the vendor, date of the purchase, items purchased and individual prices.

Section 10.3.4. Preschool and VOC runs shall be assigned as all other runs. VOC runs will be considered separate as AM and PM runs and both will not be assigned to the same senior driver. Assignment of Preschool, AM and PM VOC runs will stay the same and carry forward from year to year. If a driver leaves or elects to forfeit their VOC or Preschool run it will be offered to the next senior driver on the rotation list until filled.

Substitutes for VOC runs will be available for both the take over and return run. Preschool and VOC runs will be substituted separately; no driver can sub all runs on the same day. If the regular Preschool or VOC driver is absent more than one day, the same substitute will continue to drive the run up to 5 days or until the regular driver returns for any of their regular runs. After the fifth (5th) day the run will be passed onto the next senior driver on the substitute rotation list and that driver will remain on the run until the regular driver returns to work for any of their runs.

Section 10.3.4A. Special Needs driver will have first rights to drive Special Needs trips and may forfeit their regular run to do so.

Section 10.3.5. Prior to the first day of school each year, drivers will be able to voluntarily add their name to the substitute driver list. After the first day of school each year, a bus driver may add or delete his/her name to or from the substitute driver list. However, regardless of seniority, drivers added after the first day of school start at the bottom of the rotation as of the day they signed the list. Regular drivers assigned to Preschool, AM and PM VOC runs can only sub those runs if they do not have to give up their own run to do so.

Drive time as a substitute driver will not count toward a driver's insurance eligibility hours.

Section 10.3.5.A. Regular bus drivers who have added their name to the substitute list will be offered substitute positions as they become available on regular bus routes, with the most senior driver on the list having first choice of the route he/she wants to sub. Assigning routes continues in rotation order based on seniority. Runs that are not able to be filled with volunteers from the substitute list may be filled from any source.

Section 10.3.5.B. A regular driver whose availability for a substitute assignment changes because of a change in the driver's regular driving assignment may exercise his/her seniority and will upon request be added to the substitute list and will be placed into the current substitute rotation based on the driver's seniority.

Section 10.3.5.C. After a substitute has been in a position more than five (5) consecutive days, the next senior driver(s) on the substitute rotation list shall be offered the position until the regular driver returns or the position is filled by a regular driver.

Section 10.3.6. A route which is open because no one bid for it will be filled as a substitute route until such time as it is filled by a regular driver assigned to the route. Drivers are eligible to be in this substitute assignment rotation for an open route only if they are available to drive this route on a regular basis without interruption.

Section 10.3.7. Any regular driver who is driving as a substitute driver for a regular driver who is eligible for holiday pay and snow day pay shall be paid for those days at the regular driver's rate of pay. This pay shall be in addition to the regular driver's regular run(s) pay for holidays and snow days, but this additional pay shall be only for the time that is in addition to the regular run(s) that the driver is driving.

Section 10.4. Teacher Assistants. The Association recognizes the employer's right to assign teacher assistants where they will best serve. However, the employer will post permanent vacancies which it intends to fill, created by the termination or resignation of a teacher assistant and/or when the district increases the number of teacher assistants, in accordance with section 10.0 of the contract.

If a teacher assistant disagrees with an assignment, he/she may request and will receive a conference with the building principal responsible for the assignment where he/she will hear and discuss the rationale for the decision. An Association Representative may be present at this meeting if the teacher assistant requests.

LEAVES OF ABSENCE

Section 11.0. Purpose of Leaves. It is understood by the parties that leaves of absence are to be used for the purpose intended, and employees shall make their intent known when applying for such leaves. An employee's leave of absence shall end if they secure other employment.

Section 11.1. Paid Sick Leave. Employees covered by this Agreement shall earn and be granted sick leave of absence with pay under the following conditions and qualifications:

- (a) Paid sick leave will be earned by full-time, full-time school year, and regular part-time employees at the rate of one (1) day for each month of active service that the employee is anticipated to work during that school year (except: maintenance allocation is limited to 10 days per school year. i.e., maintenance, full-time school year and regular part-time school year employees earn ten days per year). For purposes of this Section, a "day" equals the number of hours (or runs) in an employee's regular schedule for that year. Paid sick leave will be credited to the use of employees on the first day of work each school year for employees who report for work on that date, and on the first day of actual work for employees who are unable to report for work on the first day of school or for new employees who commence work after the first day of school.
- (b) Employees may utilize accrued paid sick leave when they are unable to work due to illness, injury, or other disability. Disability associated with pregnancy, miscarriage, abortion or childbirth shall be treated as any other disability. Employees may also use accrued paid sick leave for illnesses of their spouse, parents, parents-in-law, or minor and/or dependent children that necessitate the employee's presence with that individual.
- (c) An employee shall notify the Employer of the need to utilize paid sick leave as far in advance as possible. If the Employer has reason to believe that an employee is abusing paid sick leave, the Employer may require as a condition of the paid sick leave a physician's certificate setting forth the reasons for the sick leave. Falsely setting forth the reasons for the absence may subject the employee to discipline.

- (d) Unused paid sick leave days may accumulate up to a maximum of seventy-five (75) days, after which time no more paid sick days will be accumulated except to the extent of restoring paid sick days used.

Employees who retire or terminate employment with the Employer shall be reimbursed fifteen (\$15) dollars per day for all accrued but unused sick leave days up to seventy-five (75).

- (e) Sick leave may be used in one (1) hour increments.

- (f) Any absence due to injury incurred while the employee is working and requiring time away from work shall not be charged against the employee's paid sick leave for a period up to seven (7) workdays. The board may require doctor verification of the injury or illness, including at the board's discretion a second opinion. The board will pay the costs of the doctor verification not covered by insurance. This provision shall only apply to leave time not covered by the Michigan Worker's Compensation Act. In the event the employee's injury is covered by Worker's Compensation, all provisions of Section 11.3 shall apply and this provision shall not apply.

- (g) in the event that an employee is injured during an assault or attack while on the job for Hesperia Schools, no sick days will be deducted during any absence and recovery time necessitated by the assault or attack and the employee will be paid the employee's regular wages minus any monies received from board paid insurance benefits and/or worker's compensation during the time of disability.

Section 11.2. Disability Leave. A disability leave of absence will be granted to employees who are unable to continue to work for the Employer because of a non-work related injury, illness, pregnancy or other disability, subject to the right of the Employer to require a physician's certificate establishing to the satisfaction of the Employer that the employee is incapacitated from the safe performance of the essential functions of the job due to illness, injury, or other disability. A disability leave shall be with pay and benefits until such time as the employee has exhausted all accrued paid sick leave benefits and board provided Short Term Disability coverage as described in this agreement and thereafter shall be without pay or benefits. This disability leave will continue for the period of the employee's disability; provided, however, that an employee may not be on a disability leave for a period of more than eighteen (18) consecutive months. At the completion of the eighteen (18) month period, the Employer may grant an extension of the leave for up to an additional twelve (12) months if the employee can present evidence from their treating physician that there is a substantial likelihood that the employee will be able to return to work during the period of extended leave. An employee whose leave ends prior to their being able to return to work will be considered to be on layoff with rights to return in accordance with Section 9.2, Recall. The Employer may request at any time, as a condition of continuance of a disability leave of absence, proof of a continuing disability. In situations where the employee's physical or mental condition raises a question as to the employee's capacity to perform the essential functions of the job, the Employer may require a medical examination by a physician chosen by the Employer at the Employer's expense and, if appropriate, require the employee to take a leave of absence under this Section. In the event that the physician selected by the Employer is considered by the Union to be inappropriate for the particular employee, the parties shall meet to select an alternative physician. Employees who are anticipating a leave of absence under this Section may be required to present a physician's

certificate recommending that the employee continue at work, and in all cases the employee's attendance and job responsibilities must be satisfactorily maintained. At the completion of the thirty-six (36) month period, the Employer may grant an extension of the leave for up to an additional twelve (12) months if the employee can present evidence from their treating physician that there is a substantial likelihood that the employee will be able to return to work during the period of extended leave. The board may at its discretion and expense require a second opinion of a physician's assessment from a physician of its choosing. An employee whose leave ends prior to their being able to return to work will be considered to be on layoff with rights to return in accordance with Section 9.2, Recall. The Employer may require at any time, as a condition of continuance of a Workers' Compensation leave of absence, proof of a continuing inability to perform work for the Employer.

Employees who incur a work related injury or disease for which they are receiving Workers' Compensation benefits shall utilize accrued paid sick leave days, including days available under the sick leave bank, charged to the employee's sick leave account on a pro rata basis, to maintain the difference between the employee's net take-home pay based upon forty (40) hours or the number of hours in their regular work schedule, whichever is lesser, and the Workers' Compensation benefits received. It is agreed between the parties that this use of paid sick leave is not a wage continuation program as that term is utilized in the Workers' Compensation Act. In the event that this use is claimed to be a wage continuation program by the Board's Workers' Compensation carrier, the parties agree to renegotiate this subsection. As a condition of receipt of such supplemental payments, the employee agrees to reimburse the Employer for any duplicate amounts received in instances where paid sick leave is utilized and Workers' Compensation later provides payment for the same days.

An employee's signature on disciplinary material shall not be interpreted as agreement with the disciplinary action. A statement to this effect shall precede the employee's signature.

Employees shall have the right to review the contents of their personnel file upon request, at a time mutually agreeable to the employee and the Employer. A representative of the Association may, at the employee's request, accompany the employee in such review. In the event there is disagreement over the content of any material in an employee's personnel file, the employee may submit a written statement for inclusion in their personnel file to explain his position concerning material in dispute. In addition, an employee who believes that material placed in his file is inappropriate or in error may seek to have the material changed and/or removed from the personnel file through the grievance procedure, including arbitration, provided just cause is shown for the change or removal.
