

Good afternoon parents, this is Vaughn White, Superintendent of Hesperia Community Schools with a brief message.

Parents I am calling to let you know that while we are in remote learning, there are access points for Wi-Fi available outside of buildings within our district boundaries. There is free Wi-Fi access in the high school parking lot, in the public library parking lot, and at the boat launch at McLaren Lake.

We also learned of an opportunity for inside Wi-Fi access provided at Camp Tall Turf located on Campbell Lake. This camp, in cooperation with the Revive Church is willing to provide in-doors internet access to students in grades 5th – 12th on Mondays and Thursdays from 9:00 a.m. to 1:00 p.m. Students will have to bring their own devices and of course, they will have to wear masks and social distance. Enrollment will be limited for student health and safety. For more information and to register, please connect to their website at:

<https://www.revivechurchmi.com/remote/>

Our next food distribution will be next week on both Tuesday, December 1, and Thursday, December 3 from 11:00 a.m. to 1:00 p.m. Please pick up food at the high school office entrance.

Parents, we wish to extend our thoughts and gratitude for your hard work and flexibility as we navigate through this pandemic. Please have a safe and Happy Thanksgiving.
